

# LESSON TWO: SPENDING

Junior thinks spending **money** is **fun**, but it's **more** fun when he has a **plan**. Before Junior **buys** anything, he makes sure that he has **enough** money in his **SPEND envelope**. Then he **decides** if he really wants to buy that **item** or if he would rather **keep** the **cash**. He **knows** that having money doesn't mean you have to **spend** it all! **Saving** is fun too!
