

LESSON TWO: SPENDING

Here's a practice challenge for you! Pretend you are going to the county fair with your friends and you will need some spending money. You have saved \$20 in your SPEND envelope. From the list below, choose what things you want to do at the fair. Then, place them in three different categories: food, rides, and games.

Giant Pretzel \$3
Ferris Wheel \$2
Drink \$2
Spider Ride \$1
Hot Dog \$2
Roller Coaster \$2

Scrambler Ride \$1
Balloon and Dart Game \$1
Funnel Cake \$3
Tilt-A-Whirl Ride \$1
Duck Pond Game \$1
Snow Cone \$1

Bumper Cars \$1
French Fries \$2
Milk Can Toss Game \$1
Ring Toss Game \$1
Dunk Tank Game \$1
Pizza \$3

How much will you need to place in each envelope? Add up your total cost for each category, as well as your grand total. (Remember, you can't spend over \$20.)

FOOD

TOTAL: _____

RIDES

TOTAL: _____

GAMES
